

TOTAL SENTIMENT SCORE

The total sentiment score is obtained by the average of all the questions' sentiment scores.

QUESTIONS

The analysis is based on the following questions.

Q1: Have you perceived any change of relationship/exchange in your team in the last 3 months?

Q2: Have you perceived increased performance in your team in the last 3 months?

Q3: Have you perceived improved collaboration system in your team in the last 3 months?

SENTIMENT SCORE

The sentiment score is obtained by the average of the answers' score for each question.
